Latest New Style No. 1818.—Height, 72 ins. Depth, the Manufacturer | DANIELF. BEATTY, Washington, New Jersey

After months of labor and experiment, we have at last brought to perfection A NEW WATCH. It is a Key Winding Watch with the celebrated Anchor Lever Movement, Expansion Enlance, Fully Jeweled.

They are made of the best material, and in the very best manner, so as to insure good time-keeping qualities. The Cases are made of our Celebrated Composition metal known as Aluminum Cold, This metal has a sufficient amount of gold in the composition to give the watch a Senuine gold appearance. Indeed it cannot be told from a genuine Gold Watch except by the best judges, as the metal stands the acid test as well as pure gold. The cases are finely engraved or engine turned and are massive and strong and very handsome making It just the watch for Railroad men, Mochanics and all laboring men who require a good strong watch and an occurate time-keeper. For trading and speculative purposes, it is superior to any watch ever before offered. They can be sold readily for \$15 and \$100 each, and traded so as to realize double those amounts, Farmers as well as Agents can bandle these watches to advantage, as they can be readily exchanged for stock or goods. We send the watch free by registered mail, on receipt of \$8,00. Or we will send it C. O. D. on receipt of \$1.00 on a count; the balance can be raid at the express office. We also have very fine Aluminum Gold Chains at \$1,00 each. Peautiful Medallion Charms 50 cents. BAD, BAD, BAD BLOOD.

Some blood is bad because it is poor and weak. Some is bad because it contains impurities. Some men have such bad blood that the wonder is it does not poison the mosquitoes who come to bite them

The rich red color of good blood is owing to the iron which is present. Blood which has not enough iron in it is always unsatisfactory. The person in whose veins it circulates cannot be said to enjoy good health.

The efforts of expert chemists to produce a preparation of iron which can be assimilated with the blood have resulted in that perfect preparation which is an important part of Brown's Iron Bitters. It is the only one which freely enters into the blood. It is the only one which accomplishes the desired good

Weak, poor, thin blood may be made rich and strong, and impure blood may be purified by the use of that Great Iron Medicine, Brown's
